Liquidators' Final Report

Section 257 (1) of the Companies Act 1993

Marshall Design & Construction Limited (In Liquidation)

Marshall Design & Construction Limited was placed in liquidation by a Resolution of Members dated 7 April 2006

Jeff Meltzer and Lloyd Hayward were appointed Liquidators of the company.

The liquidation of the company is now complete. A Statement of Realisations and Distributions is attached. All amounts are shown on a GST exclusive basis.

The Liquidators report to the Creditors that:

1. The Liquidators caused the liquidation to continue while a body corporate related to a development undertaken by the company took legal action against the director/shareholder. We understand that matter does not continue.
2. No other matter related to the liquidation remains open.

All known assets of the company have been realised.

All proceeds of realisation have been distributed and the company is now ready to be removed from the register.

General Comments

The Liquidators will now advertise Notice of Intention to have the company removed from the register as per section 318 of the Companies Act 1993. The advertisement will appear in the New Zealand Gazette and The New Zealand Herald.

The attention of all creditors or shareholders is drawn to section 321 of the Companies Act 1993 which provides that where public notice is given of an intention to remove a company from the register any person may send or deliver to the Registrar, not later than the date specified in the notice, an objection to the removal on any one or more of the following grounds:
