Liquidators' First Report

Rogers Civil Infrastructure Limited (In Liquidation)

1 Appointment

We advise that Jeffrey Philip Meltzer and Lloyd James Hayward were appointed joint and several Liquidators of the above company on 6 July 2011 by special resolution of shareholders. Messrs Meltzer and Hayward are Chartered Accountants and full time Insolvency Practitioners.

Other than being approached to assist the company's directors with a possible Creditors' Compromise Proposal (which did not eventuate) Messrs Meltzer and Hayward have not previously acted in any capacity for the company or the officers and shareholders of the company.

2 Background

<i>Date of Incorporation:</i>	10 June 2009
<i>Trading Address:</i>	79 Patiki Road, Avondale, Auckland
<i>Type of Business:</i>	Civil & Infrastructure Works
<i>Date Ceased Trading:</i>	5 July 2011
<i>Shareholders:</i>	Rogers Group Limited 1,000 shares
<i>Directors:</i>	Keith Paul Rogers Mark Fagelund-Gjersoe
<i>Share Capital:</i>	1,000 ordinary shares
<i>Date of Liquidation:</i>	6 July 2011

3 Events Leading to Appointment

In the most recent contracting season the company experienced particularly adverse weather and ground conditions which caused what were initially believed to be profitable contracts to incur significant losses.

Jeff Meltzer

Karen Mason

Arron Heath

The company made significant cost reductions and came to the view that if it could secure a compromise with its creditors it could trade out of its difficulties. To achieve this, the company was reliant on a certain amount of work through the winter months and the assurance of new work in the next construction season. It became apparent in the later stages of June 2011 and leading up to the week ending 1 July 2011 that several of the company's contracts were not secured and/or had been delayed. Some work providers indicated reluctance to continue using the company's services.

Not able to gain the confidence required to make the compromise work and with rapidly reducing turnover, the director believed he had no option other than to recommend to the shareholders that the company be placed into liquidation.

4 Statement of Affairs

The Liquidators have prepared an Estimated Statement of Affairs being the assets and liabilities of the company at the date of liquidation. We attach a copy.

5 Proposals for Conducting the Liquidation

5.1 Realisation of Assets

The Secured Lenders have taken possession of all capital equipment and intend to realise this separately from the liquidation.

The Liquidators will arrange for the realisation of trade debt and inventories. Trade debt will be recovered in accordance with the company's terms of trade. Inventories will be sold by way of public auction.

The company was involved in civil and infrastructure works which in some cases have not been completed. Contract principals may have incurred costs as a consequence of the liquidation of the company and may seek to set these costs off against any amount due to the company. At this time we cannot assess what consequential costs claims may be received and what effect such claims will have on the company's trade debtors.

5.2 Examination of Books and Records

The Liquidators will examine the company's available books and records and conduct a brief review of the company's affairs.

5.3 Knowledge of Information Relevant to the Liquidation

Should creditors and other parties possess any information that may be relevant to the liquidation, or may lead to realisations for the benefit of creditors, please advise the Liquidators in writing and provide them with copies of supporting documents.

6 List of Creditors

A list of known creditors has been compiled by the Liquidators. We attach a copy.

7 Creditors Claim Form

Creditors should complete and return the enclosed Creditor's claim form by 12 August 2011. Creditors who do not make a claim within the period may be excluded from any distribution that may be made.

8 Retention of Title Claims/Security Interests

Please note, if you believe you have a valid retention of title claim or security interest over goods or equipment supplied to Rogers Civil Infrastructure Limited (In Liquidation), and you have not yet contacted the Liquidators, please contact us immediately.

9 Initial Creditors Meeting

Pursuant to Section 243 of the Companies Act 1993 a meeting of the creditors of Rogers Civil Infrastructure Limited (In Liquidation) and Rogers Civil Limited (In Liquidation) will be held at the Ellerslie Event Centre, 80-100 Ascot Avenue, Greenlane East, Auckland, on Wednesday, 27 July at 10.30am. documents relating to the meeting are enclosed with this report.

10 Liquidation Committee

At any time during the liquidation, any creditor may in writing, request the Liquidators to call a meeting of creditors to consider whether a Liquidation Committee should be appointed, and if so, to choose the members of the Committee.

A Liquidation Committee has certain powers set out in s315 of the Companies Act 1993, including to assist the Liquidators as appropriate in the conduct of the liquidation.

11 Estimated Date of Completion of Liquidation

It is not practicable to estimate the date of completion of the liquidation at this stage.

Enquiries should be directed to: Lloyd Hayward

L J Hayward
Liquidator

Dated this 12th day of July 2011
