5.1 *Realisation of Assets*

The directors advise that there are no assets.

The Liquidators will examine the company's available books and records and conduct a brief review of the company's affairs.

5.3 *Knowledge of Information Relevant to the Liquidation*

Should creditors and other parties possess any information that may be relevant to the liquidation, or may lead to realisations for the benefit of creditors, please advise the Liquidators in writing and provide them with copies of supporting documents.

6 List of Creditors

A list of known creditors has been compiled by the Liquidators. We attach a copy.

7 Creditors Claim Form

Creditors should complete and return the enclosed Creditor's claim form by 12 August 2011. Creditors who do not make a claim within the period may be excluded from any distribution that may be made.

Please note, if you believe you have a valid retention of title claim or security interest over goods or equipment supplied to Rogers Earthmoving Limited (In Liquidation), and you have not yet contacted the Liquidators, please contact us immediately.

9 Initial Creditors Meeting

As it is unlikely there will be a distribution to creditors, pursuant to s245 of the Companies Act 1993 the Liquidators propose to dispense with the meeting of creditors to consider whether to appoint different Liquidators, and to consider the views of creditors.

Accordingly a meeting of creditors will not be called unless a creditor gives notice to the Liquidators within 10 working days after receiving this notice, requiring a meeting to be called.

10 Liquidation Committee

At any time during the liquidation, any creditor may in writing, request the Liquidators to call a meeting of creditors to consider whether a Liquidation Committee should be appointed, and if so, to choose the members of the Committee.

A Liquidation Committee has certain powers set out in s315 of the Companies Act 1993, including to assist the Liquidators as appropriate in the conduct of the liquidation.

11 Estimated Date of Completion of Liquidation

It is not practicable to estimate the date of completion of the liquidation at this stage.
