#### 3. Events Leading to Appointment

During August 2007 the New Zealand operations of Blue Chip became part of a Master Franchise. New companies were formed for trading, underwriting and franchise purposes. While the Company was not part of the New Zealand franchise group it was dependent on the New Zealand franchise group for funding to meet its ongoing joint venture obligations.

From October 2007 the New Zealand franchise group began to experience cash flow problems mainly stemming from a funder withholding underwriting fees due on a property development in Auckland. The new director also became aware that Bribanc Property Group Limited ("Bribanc") was experiencing significant operational issues, attributable to a lack of sound management disciplines by its senior management. Bribanc's accounts and processes had not been maintained since the end of March 2007.

Media articles contributed to a fall in sales to investors and a consequent reduction in group income. The Group Directors attempted to raise additional capital and to sell assets but were largely unsuccessful in this endeavour.

Also the property portfolio managed by the Group experienced increased vacancy rates, putting additional pressure on cash flows.

As a result of these issues the Group Directors made the decision to appoint independent providers, Harcourts Real Estate and First Street Property Management Limited, to manage the portfolio. This decision would also enable the business to resolve the inaccuracies with crucial property data.

The issues combined to create a cash flow shortfall and interruption to client rental payments and investor payments.

As a consequence of the cash shortfall, non-completion of asset sales and downturn in new sales, the Group Directors determined that 19 of the group companies should be placed into voluntary liquidation and the Liquidators were consequently appointed.

#### **4. Proposals for Conducting the Liquidation**

The Company operated as part of the business known as Blue Chip and acted as the Guarantor party to the joint venture arrangements sold prior to 1 January 2006. Joint ventures were a transaction whereby an investor purchased a property and in return for a guaranteed income or guaranteed loan repayments agreed to the Company receiving a share of the net rental income and a significant share of any capital gain that might occur on the property.

The Company holds no assets and there is no reserve fund in relation to its ongoing exposure to guaranteed income due to investors. Funding to meet the guaranteed income obligation was obtained from other entities within the Blue Chip business and from Mide Limited (now in liquidation) from August 2007.

There are also unsettled contracts where investors have paid a deposit, however the contractual arrangements (including the purchase of the property) are not complete. The liability for the deposit paid by the investor is a liability of the vendor Company and not the Company. The Company has a continuing obligation for the guaranteed income notwithstanding the unsettled contracts. It cannot now meet that obligation.

#### ***Realisation of Assets***

The director advises that the Company has no realisable assets.

### ***Examination of Books and Records***

The Liquidators will examine the Company's available books and records and conduct a review of the Company's affairs. In particular the Liquidators intend to review:

- (a) Ascertain the position of investors who have entered into joint venture arrangements with the Company and what potential there is for recovery of assets for the investor.
- (b) The circumstances regarding the creation of "New Zealand Private Group" of which the Company is a part and the arrangements regarding the Blue Chip franchise contracted to the New Zealand Private Group.
- (c) Transactions with related parties. A consequence of the incomplete processing of transactions and reconciliations is that we have not yet been able to confirm the amounts that may be due from or payable to related party entities. Therefore the Estimated Statement of Position excludes any related party amount.
- (d) Assess whether the director (or any previous director) have breached any duty to the Company as set out in the Companies Act 1993.

### ***Knowledge of Information Relevant to the Liquidation***

Should creditors and other parties possess any information that may be relevant to the liquidation, or may lead to realisations for the benefit of creditors, please advise the Liquidators in writing and provide them with copies of supporting documents.

## **5. Statement of Affairs**

The Liquidators have prepared an Estimated Statement of Affairs based on the books and records of the Company. At the date of liquidation the books and records of the Company were not up to date in terms of processing transactions and reconciliations. We therefore have considerable doubt as to the accuracy and reliability of the financial records and the assets and liabilities disclosed therein. We have nevertheless prepared the Estimated Statement of Affairs based on extracts from the Company's records so as to give creditors a preliminary view of the financial position of the Company. The attached copy of the Estimated Statement of Assets and Liabilities must therefore be read having regard for this and the disclaimer.

## **6. List of Creditors**

A list of all known creditors has been compiled by the Liquidators. Ordinarily this list must accompany the Liquidators First Report. The Liquidators applied to the High Court to vary the Companies Act 1993 requirement to deliver a list to every creditor. The High Court approved the variation and directed that the list of creditors be available on the Meltzer Mason Heath website and by post if requested.

The list of creditors is available on our website at [www.mmh.co.nz](http://www.mmh.co.nz). Any creditor who wishes to have a copy posted to them, please phone 09 357 6150 or email [lloyd@mmh.co.nz](mailto:lloyd@mmh.co.nz) to request a copy.

## **7. Creditors Claim Form**

Creditors should complete and return a creditor's claim form. Our first communication with investors and creditors on 15 February 2008 included a claim form and asked creditors to complete this and return it to our office by 18 March 2008. Creditors who do not make a claim within the period may be excluded from any distribution that may be made.

If you do not have a claim form and require one, the form is available on our website at [www.mmh.co.nz](http://www.mmh.co.nz) or by post. Please phone 09 357 6150 or email [lloyd@mmh.co.nz](mailto:lloyd@mmh.co.nz) to request a copy.

## **8. Retention of Title Claims/Security Interests**

Please note, if you believe you have a valid retention of title claim or security interest over goods or equipment supplied to Blue Sky Holdings Limited (In Liquidation), and you have not yet contacted the Liquidators, please contact us immediately.

## **9. Initial Creditors Meeting**

The Liquidators intend to hold a creditors meeting. Attached to this report is a notice of meeting, agenda and other documents related to the meeting.

## **10. Liquidation Committee**

In the notice of meeting referred to above the Liquidators have called for nominations for the Liquidation Committee to be elected at the creditors' meeting. If you wish to make a nomination for the Liquidation Committee please ensure you have your nomination with the Liquidators 48 hours before the meeting.

A Liquidation Committee has certain powers set out in s315 of the Companies Act 1993, including to assist the Liquidators as appropriate in the conduct of the liquidation.

## **11. Estimated Date of Completion of Liquidation**

It is not practicable to estimate the date of completion of the liquidation at this stage.
